

New York City

Rebuilding Together NYC

Position Title: Director of Development

About Rebuilding Together NYC

Rebuilding Together NYC (RTNYC) is a nonprofit organization that transforms the lives of New Yorkers by preparing under-employed individuals for careers in construction and preserving homes in under-resourced NYC communities. Through our critical home repair and accessibility modifications program, we improve the safety, health of homes, and through our Careers in Construction program, we re-skill individuals for union apprenticeships. Lastly, through our community revitalization program we provide opportunities for volunteers to renovate and update non-profit and community centers.

Revenue: \$3.2 million

Overview of Position:

The Director of Development is responsible for conceiving and implementing a comprehensive development strategy to achieve organizational fundraising goals. Additional responsibilities include building new and expanding existing relationships to develop a network of donors; creating a schedule of fundraising activities, including soliciting individual donors, securing financial support from corporations and foundations, and orchestrating special events. The Director of Development reports to the Executive Director, supervises the Development Manager, and works closely with members of the Board of Directors and Director of Finance and Operations.

Specific Responsibilities:

- ❖ Develop and execute Rebuilding Together NYC's annual fundraising plan.
- ❖ Partner with Executive Director to lead development strategy, adoption and monitoring of annual fundraising plans, working with the Board Development Committee, Executive Leadership Team, event committees, and fundraising staff to secure annual and multi-year revenue targets.
- ❖ Oversee fundraising campaigns and events, volunteer events, and initiatives.
- ❖ Track revenue targets by type, and monitor results to drive performance, and identify, explain, and correct variances as appropriate.
- ❖ Develop, monitor, analyze, systems for individual and institutional funding sources.
- ❖ Collaborate with program, finance, and operations staff to align on grant proposal outcomes and reporting.
- ❖ Supervise development and external communications staff.
- ❖ Manage the organization's website and social media platforms.
- ❖ Spearhead the operation, maintenance, and continued improvement of Salesforce and other fund development platforms to support fundraising activities.

- ❖ Provide leadership in strengthening internal communication regarding fundraising with staff across the organization and promote a positive and supportive work environment.
- ❖ Engage stakeholders from across the organization in fundraising efforts focused on asset-based perspective lifting voices of homeowners, graduates, and RTNYC stakeholders to message the mission, vision, and values of RTNYC.
- ❖ Oversee the writing of funding proposals, newsletters, social media posts, and annual report.

Qualifications:

- ❖ Passion for Rebuilding Together NYC's mission and commitment to racial, economic, environmental health, and social justice
- ❖ Must be mission-driven with a strong interest in improving social good.
- ❖ Bachelor's Degree required, MA a plus.
- ❖ Minimum 5 years of experience in grant writing, individual donor development, and fund development.
- ❖ Demonstrated success in securing major support from private and/or public sources.
- ❖ Demonstrated success in meeting annual fund development goals.
- ❖ Strong writing skills.
- ❖ Demonstrated excellence in organizational, managerial, and communication skills.
- ❖ Detail oriented and organized, with the strong ability to successfully multi-task.
- ❖ Experience with Salesforce and using social media for marketing or fundraising campaigns.
- ❖ Ability to lead multiple long- and short-term projects simultaneously, meeting all related deadlines with the ability to plan, prioritize, coordinate, and manage own work.
- ❖ Commitment to professional ethics in working with confidential, sensitive information.
- ❖ Extensive computer skills, including intermediate or higher-level proficiency with Microsoft Office and experience working with electronic donor tracking systems/databases.
